## **Judges CV**

We have a small kennel here in Northern Ireland which now consists of only one Chow, a Bulldog and three Pomeranians.

We have owned Chows from 1994 and fell in love with the breed instantly. The purchase of our second Chow began my interest in showing and to date I have made up several Irish and International Champions in the breeds we have owned through the years and 2 Chows earned their Stud Book Number and IR.CH Lechan Jarvis won COTY BIS in 2004.

After years of showing Chows and dabbling in breeding a little I now also enjoy judging the breed and have had the privilege of judging in Ireland (north & south), England, Wales and Italy, International Show for the Italian Chow Chow Club.

16. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and The Royal Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at Royal Kennel Club licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.

- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Anyone whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Royal Kennel Club regulations in this respect may be referred to the Board for disciplinary action under The Royal Kennel Club rules and regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by The Royal Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Royal Kennel Club registered.
19. No modifications will be made to this schedule except by permission of the Board of The Royal Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. An exhibitor or competitor should ensure that contact details for any handler are available and must be provided upon request in any investigation of a breach of this regulation by such handler.
21. **CANCELLATION OR ABANDONMENT:** Entry fees will not be refunded in any circumstances where any Act of God or any other unforeseen reason causes the cancellation or abandonment of the show.
22. **DOG FOULING:** Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Royal Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches. 28. The owner, exhibitor, handler or other person in charge of a dog at a Royal Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).

**Exhibitors please note:** In accordance with Royal Kennel Club guidelines, exhibitors must display exhibit number/owner identification on their crate, cage or container at all times.

Samples may be taken for further examination and analysis.

## **Photography and Video Rights**

The organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without the express written permission of the organisers. The taking of photographs in the show venue for sale or reward is strictly prohibited except with the written permission of the organisers. Press accredited photographers are provided with permission to take photographs ONLY for the use in newspapers, magazines and internet sites - this is for news purposes only. There is no objection to the general public taking photographs of general views of the show, provided that these are for private use. Specific dogs may be photographed only with the approval of the exhibitor. No photographs or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded. Filming and flash photography is allowed from outside the ring at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned.

## **Use of Electrical Equipment at Shows**

The Royal Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

## **DOGS IN VEHICLES ON HOT DAYS**

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.**
