Judge's CV

We owned our first Chow in 1976 when we purchased a black dog (Highfield Black Prince) for Pam's birthday from Dave and Kath Walton (Kaishan). This was Pam's first dog, I had other breeds prior to this, pet only. We started showing and then got hooked, purchased a self-red bitch from the Tauleo Kennels. The first litter was bred in 1980 and this produced Ch Lechan Kelly-Marie, Lechan Te-A-Marie a RCC winner and the wonderful brood bitch Lechan Lady of Steel of Sherriff, a blue who produced 3 Champion bitches for us, L. Silver Lady, L. Moonlighting & L. Lady Cassandra. Another of her offspring, a blue dog L. Soldier Blue produced the extrovert black dog Ch L. Americano plus an exceptionally good stud dog L. Super Tramp.

We have owned or bred 19 UK Champions and have numerous Champions overseas including Irish Champions. We have had several BIS at all breed Championship Shows plus a Reserve BIS, as well as at breed club shows. We have won numerous Utility Groups, mainly with Ch L. Damien who won 24 CCs and his son Ch Sherriff Danny's Boy from Lechan. Ch Lechan Damien was a Chow of the Year BIS winner at 11 months old. A Reserve Utility Group with Ch Char-Le-Chang of Kwong Li with Lechan and Group placings with Ch/Ir Cherrymount Good to be Black for Lechan JW and Ir/Jun Ch Lechan Rodrik. Int/Ir Ch Lechan Jarvis was a prolific winner on the Irish show scene for a number of years.

One of my favourites was the black Champion Lechan Jo-Elle who was also RBIS at the Chow of the Year show 2004, only being beaten by Int/Ir Ch. Lechan Jarvis for BIS. Ch Hantuki Topaz of Lechan, L. Damien's daughter produced a total of 5 litters and was also BIS at the COTY in 1996. She was also the dam of Ch L. Americano and Ch L. Kasper. Another Champion bitch L. Kelly-Marie also produced a litter, unusual in the breed for Champion bitches to breed, more so in the past, although our recent Champion Lechan Zelda has also had a litter.

Ch/Ir Ch Cherrymount Good to be Black for Lechan JW purchased from his breeder at 8 months old, he had a fantastic career both here and on the Irish show scene gaining 10CC and 11RCC plus BIS at the COTY twice, in 2007 and 2010, Best Dog at Crufts 2011 and 2012. I must also mention our 2 red bitches Ch Lechan Christmas Joy and Ch Lechan I'm Adele. Lechan have owned all colours and have no preference, as long as it is a good Chow. A cream dog was imported from Sweden, Amcho The Iceman in a Rolls Royce with Lechan in 1995 and he helped to produce some good foundation stock and improve the cream breeding in the UK over the following years.

I began judging in 1979 and awarded CCs for the first time in 1989 at the Scottish Kennel Club Show. I have judged in Finland, Sweden, Denmark, Norway, Italy, USA, Southern Ireland and Crufts 2005.

I have been a Committee member of the Midland Chow Chow Club since 1979 and held the positions of Treasurer and Chairman. I am currently the President and I am also on the Breed Council Health Committee. I am really looking forward to judging your Chows.

 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around

the dog.

- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

17. Anyone whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Royal Kennel Club regulations in this respect may be referred to the Board for disciplinary action under The Royal Kennel Club rules and regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by The Royal Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Royal Kennel Club registered. Not for Competition entries will be accepted for dogs aged 3 calendar months of age on the first day of the show.
19. No modifications will be made to this schedule except by permission of the Board of The Royal Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

Photography and Video Rights

The organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without the express written permission of the organisers. The taking of photographs in the show venue for sale or reward is strictly prohibited except with the written permission of the organisers. Press accredited photographers are provided with permission to take photographs ONLY for the use in newspapers, magazines and internet sites - this is for news purposes only. There is no objection to the general public taking photographs of general views of the show, provided that these are for private use. Specific dogs may be photographed only with the approval of the exhibitor. No photographs or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded. Filming and flash photography is allowed from outside the ring at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned.

Use of Electrical Equipment at Shows

The Royal Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.
